

## **SUGGESTED STAFFING ASSIGNMENTS FOR SNACK SHACK**

(during Fall Football Games)

3:45-5:15 ~ 2 people for staffing, OPENING, set up and start selling.

5:15-6:45 ~ 4 people

6:45-8:15 ~ 7-8 people (at the discretion of the designated leader, you may have two students for every two adults, depending on the crowd; we do not want kids running around in the snack shack, students may not work alone)

8:15-Close ~ 4 people, key is to keep enough people around for clean-up and close.
